Dear Lynn Kunzler,

I am sending the map with the addition of the road work we have planned.

We will also submit possible revisions in reference to the following:

1. Amount of material to be extracted, moved or proposed to be moved.
2. Re-direct the 5 acres.

I will be submitting these as soon as our decisions are made. I understood from our last conversation that I will make any revisions on a new NOI to Commence SMO and submit to you.

Thanks again for your time,

Ed Villarreal
